

# Assistant Management Accountant

**Job type:** Full time

**Location:** Peterborough

**Salary:** £30,000 - £35,000 – Negotiable DoE

Data Interchange is a leading international provider of EDI and managed services. For more than 30 years we have helped thousands of satisfied customers streamline their eBusiness solutions. Our global B2B network enables trading partners all over the world to do business electronically, providing a business-critical service for supply chain management, order processing, business integration, data synchronization and electronic funds transfer.

Following a period of continued business growth and the increasing need for performance insight at Board level, we are looking for an experienced Assistant Management Accountant to join our Finance Team. Bringing a breadth of finance experience and attention to detail to support our Finance Manager, this role will cover the UK and overseas companies within our Group.

With the proven ability to deliver at a fast pace, you will gain exposure in the key accounting areas of; Management Accounts preparation, Financial Reporting to stakeholders, Planning and Forecasting, and Controls and Governance.

The successful Assistant Management Accountant will have demonstrable skills in:

- Financial statement preparation and analytical review at company and group consolidated level
- Creativity in the design and dissemination of key information to stakeholders
- Working as a business partner to understand revenue and costs across the business to lead in compiling financial plans and reforecasts
- The manipulation of large quantities of system generated data in Excel
- Managing and improving the debt collection process
- Managing the relationship with auditors and other external bodies
- Complex reconciliations between various sources

We also expect:

- Professional accountancy qualification (CIMA, AAT or similar)
- Previous practical usage of accounting software (Xero, X-Ledger or Sage)
- The ability to present data in a clear manner
- Self-motivated with the ability and experience to use your initiative
- Experience of working in a fast-paced accounts environment
- Strong skills in Microsoft Excel

Alongside a competitive salary and benefits, we also offer the following:

- Individual training budgets
- Company pension
- Free parking
- Subsidised staff social events
- Games room
